Providing the future

The world of **AMUSEMENT** in one great **BIG EVENT!**

Rimini Amusement Show is the reference show for the operators of the world of amusements. It is a key event enhancing all the novelties and the excellence in the field of entertainment with no cash winnings for all ages. Children, teenagers, adults and the family: a diverse and multifaceted world ranging from traditional attractions (from swing rides to inflatables, from pinball to foosball) to the most incredible and futuristic ones involving virtual reality, laser games and e-sports.

New business opportunities

◆ **Rimini Amusement Show is an international platform** promoting Italian businesses globally. **Delegations of buyers from emerging markets** will attend the show with a view to activate new business relations with the exhibiting companies.

◆ The operators visiting the show will not only find events and workshops offering **training** and in-depth market analysis, but will also be introduced to **new formats** of entertainment, **tournaments and competitions** highlighting the playful and socialising power of games and play.

◆ Thanks to a recent four-year partnership between **Italian Exhibition Group, Consorzio FEE** and **SAPAR**, a **larger base** has been created which will now work towards enhancing the industry and identifying new exciting business opportunities for it.
