WOMEN IN BUSINESS:

opportunities and challenges in Czechia

15 October 2025
at 18.00

The Embassy of Italy in Prague, in collaboration with the Italian-Czech Chamber of Commerce, is presenting a new edition of “**Women in Business**”, a series of initiatives designed to support Italian female entrepreneurship.

This year, the programme focuses on promoting women management, with a spotlight on labour market access and on successful stories in the field.

The contribution of our eminent speakers will be followed by an interactive session of Q&A and the conclusions of the European Commission.
